Introduction to Adult Social Care

When – Monday 24th January. Sessions at 10am and 11.20am THS, 12.45pm at TMES.

Venue: TAEP during lesson time.

Most of us will encounter Social Care in some aspect of our lives. Social Care is also a huge employment sector within the labour market. This interactive session will give a better insight for students into the roles available in the sector and the skills needed for this type of career, as well as understanding more about the vital services provided by this sector.

For any Y11 students interested in engineering apprenticeships

SETA Engineering Apprenticeship Open Day

When – Wednesday 26th January 11am -2pm

Venue: SETA Training, Stockport SK4 1PQ

Visit to the training centre which offers post 16 courses, also meet employers offering engineering apprenticeships.

Apprenticeships are a fantastic way of earning a real wage whilst you are learning your trade and gaining your qualifications.

Engineering offers great employment prospects.

The average salary for newly qualified engineers is well above most other sectors. If you follow the correct career pathway you could soon find yourself on the way to earning in excess of £50,000 a year!

Our fantastic recruitment department will help you every step of the way to finding the right apprenticeship for you.

Come along to our open day, see the facilities, meet the staff, current engineering apprentices and recruiting employers

(see website for details of exhibiting employers)

We are working hard to provide our students with work experience placements. This is understandably challenging during the pandemic. If you can offer a placement or provide any careers experiences for our students please do let us know.

All our students receive personal and impartial guidance from our qualified careers advisor from Trafford Connexions, Toni Jackson-Wilde.

All students benefit from careers education through timetabled careers lesson or through the TAEP PSHE programme.

Visit our website to see further information about careers at TAEP.
