### **Information for Governors**

#### **Careers at TAEP**

Our Careers Link Governor, Joan Johnstone, works closely with the Careers Lead, Kevin Smith. Together, they support our partnership with the Greater Manchester Combined Authority (GMCA Careers Hub) and the Careers and Enterprise Company.

Below are some useful resources and links for further reading for our Governors related to our career's programmes:

#### **Key Resources:**

- **Destination Report** – Provides insights into the career destinations of our students.
- **Gatsby Report** – An overview of the Gatsby Benchmarks for career guidance.
- **Benchmark Link** – Resources for understanding and meeting career guidance benchmarks.
- **Link to Learn Live** – A platform for live educational content and career resources.
- **Link to GMACS** – Information on the Greater Manchester Apprenticeship and Careers Service.
- **GMACS and Xello Log in for Student Use** – Access to career planning tools for students.
- **Careers and Enterprise Company: Training for Governors** – Professional development for governors on career guidance best practices.
- **Quality in Careers Standard** – National award recognising quality careers education.
- **Careers Bulletin** – Regular updates on careers advice, opportunities, and events.
- **Careers Calendar** – A schedule of upcoming careers events and activities.

- **Careers Presentation** – Overview of our career’s education and guidance services.
- **Dare to Dream – Our School Ethos** – At TAEP, we inspire every student to reach for their dreams and aim for greatness in all they do. Learn more about how we encourage ambition and achievement.

---

This list of resources supports the strategic direction of our career education programme and helps ensure our students have access to the tools and support they need for successful career planning.

If you need further information, feel free to reach out to Joan Johnstone or Kevin Smith.
