Information for Teachers

Careers Education Resources for TAEP

Our teachers receive support from the Careers Leader Kevin Smith and Careers Link Governor Joan Johnstone to deliver effective careers education.

At TAEP, our passionate and dedicated team is committed to helping students 'Dare to Dream' by offering a wide range of career opportunities designed to inspire growth, development, and success. We believe in empowering individuals to pursue their passions, take on new challenges, and unlock their full potential. Whether students 're looking to take the next step in their educational journey or explore new opportunities , TAEP provides the tools, support, and resources to help students thrive.

Career Logo

Careers is everyone's responsibility, and it's important to help students understand how their education connects to future career opportunities. Throughout the curriculum, we integrate the Careers logo into lessons and activities to highlight how the skills and knowledge they are gaining relate to various career pathways. By using this visual reminder, we aim to foster awareness of the diverse opportunities available and encourage students to think about how their current learning can help them achieve their career goals. This approach not only enhances engagement but also provides real-world context, helping students see the relevance of their studies beyond the classroom

Below are key resources for further guidance and development of careers learning within the curriculum:

- Gatsby Benchmark 4: Linking Careers to Curriculum
- CEC Resource Library: A collection of resources to assist with integrating careers education into subject delivery.
- Gatsby Benchmark 4 Video: Link – Rationale and ideas for linking curriculum learning with careers.
- MyPath Video Resources
- Linking careers to specific curriculum units such as Maths, English, and Science.
- Additional Career Links
- Careers Library
- I Could – Exploring career options.
- BBC Bitesize Careers – Information on various career paths.
- Learn Live – Virtual career-related learning and events.
- DfE Guidance – Department for Education official career guidance.
- State Talking – Platform for engaging with professionals in different sectors.

Other Resources

- Careers Calendar – Important dates and events related to careers education.
- Careers Presentation – A comprehensive presentation for educators and students.
